RESOLUTION NO. *DOC ID: 7441*

Adoption of Apportionment of Taxes for 2018

WHEREAS, the report of equalization rates and totals (footings) of assessment rolls has been prepared and approved by the Assessment Director, now therefore be it

RESOLVED, on recommendation of the Government Operations Committee, That the report of the Director of Assessment be accepted and adopted, and the valuation of real property and franchise be based on the 2017 final assessed values for the purposes of general tax levied against the several tax districts of the County and that the values determined therein be set forth as the basis for such general and highway tax levies for the year 2018,

RESOLVED, further, That the several amounts therein listed for State tax and County tax for general County purposes for 2017 be apportioned among, assessed against, levied upon, and collected from taxable property of the several towns and City liable therefore.
