

# Probation and Community Justice

## Program Overview

May 18, 2017

# Mandated Services

These three functions are the mainstay of departmental operations and represent the largest part of the budget:

- ✓ **Intake**-Persons in Need of Supervision and Juvenile Delinquency
- ✓ **Investigation**- Family (predispositional) and Criminal Courts (preplea or presentence)
- ✓ **Supervision**-court ordered Orders and Conditions of Probation (Adjudicated youth in Family Court and adults in Criminal Court)
- ✓ Rules as to how these mandates are carried out are promulgated by OPCA

2016 Monthly Metrics: 617 Criminal Cases Supervised, 31 Family Court Cases Supervised, 75 Open Investigations, 105 Open PINS/JD Intake and SOS cases

# Enhanced Supervision and Sentencing Options (ESSO)

## PreTrial Release Under Supervision (RUS) Program

- Facilitates release for incarcerated individuals who meet eligibility criteria. Ties to the community are evaluated via an inmate interview, collateral contacts and a validated Failure to Appear risk instrument.
- Recommendations for release can be ROR, RUS (to Probation, to Day Reporting or with Electronic Monitoring), Reduce Bail, Continue Bail
- 2016 Metrics: 175 Interviews Conducted, Average of 16 individuals a Month RUS

# Greatest Risk Caseloads

(formerly known as Intensive Supervision Probation )

- ✓ Misdemeanor and Felony cases that score as Greatest Risk of Recidivism and Violent Recidivism on the validated Risk and Need Instrument
- ✓ Characteristics: lengthy legal history, history of noncompliance, past failed substance abuse treatment episodes, criminal thinking, few prosocial peers/supports, criminal associates/peers
- ✓ 2 Reduced Caseloads which require increased reporting and collateral contacts
- ✓ Department has operated reduced caseloads (ISP) since 1985-began for felony level offenses to deter from prison, then incorporated misdemeanors
- ✓ Metrics: 2 caseloads approx. 25-35 each

## Drug Court (ICTC and FDC)

- ✓ Designed to break the cycle of addiction and criminal behavior for High and Greatest Risk offenders
- ✓ Provides judicial oversight, probation supervision, substance abuse/mental health treatment, employment/education services etc in a Team approach
- ✓ 3 phased program starting with the most intensive oversight and services on the front end followed by gradual reduction as advance through the program
- ✓ Graduated responses are integral to the program-swift, certain and fair
- ✓ 2016 Metrics: 2 Caseloads of 25-35 each, new admissions- FDC/46 and ICTC/34, Graduates-FDC/21 and ICTC/19

# Service Work Alternative Program (SWAP)

- ✓ Supervised community service program commenced in 1985-currently 24 work sites throughout the county
- ✓ Eligibility-non-violent probationer with no history of SO behavior
- ✓ Used as a graduated response at PSI and supervision stages and as an option for noncompliance in Drug Court
- ✓ Number of hours ordered to complete is commensurate with the level of conviction or by law for multiple DWI offender
- ✓ 2016 Metrics: 33 successful completions, approximately 35 participants on roster on a monthly basis with additional 11 per month via Drug Court sanctions. Overall program-3,506 hours performed.

# Electronic Monitoring Program

- ✓ Electronic Transmitter bracelet with GPS tracking of movement
- ✓ Court Ordered participation-Pretrial stage to ensure defendant is remaining in the court jurisdiction and at the Supervision stage as a tool to enhance community based supervision
- ✓ Parameters can be set for Inclusion and Exclusion Zones in the community and time in/time out periods in the home setting
- ✓ 2016 Metrics: 18 adults in the program for average duration of 55 days, Daily cost=\$7

# Day Reporting Program

- ✓ Began in 2001 as a full day structured program offering education in substance abuse, healthy relationships, impact of crime, GED instruction and employment services
- ✓ In 2008, Program was shortened to present day 1:30 pm ending
- ✓ Services provided by a combination of outside agencies (contractual and voluntary) and Probation staff
- ✓ Referral types: Pretrial Release, Condition of Probation sentence, Family Treatment Court, Drug Courts, Probation Officer and Parole Officer
- ✓ 2016 Metrics: 207 Referrals, 60% Successful Completion rate, 40 received GED services and 10 passed exam, 100 job placements, 117 received employment services
